BACKGROUND AND LEGISLATION

BACKGROUND

The Department of Education and Training (DET) (*refer to Definitions*) provides funding for each child who is enrolled and attending a funded kindergarten program two years before school. Income from other sources, primarily fees, is required to meet all costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (*refer to Definitions*) enables eligible children to attend a funded kindergarten program free of charge two years before school.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, children from refugee or asylum seeker background and children known to Child Protection, to access kindergarten programs as outlined in The Kindergarten Funding Guide (*refer to Sources*).

Regulation 168(2) (n) of Education and Care Services National Regulations 2011 requires that funded kindergarten services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy (*refer to Definitions*) and/or or Early Start Kindergarten (*refer to Definitions*) arrangements. The fees charged must comply with the Kindergarten Fee Subsidy requirements (*refer to Definitions*) and/or or Early Start Kindergarten (*refer to Definitions*) and be responsive to the local community and the viability of the service. The Kindergarten Funding Guide (*refer to Sources*) outlines the criteria to be covered in the policy.

ATTACHMENT 1. FEE INFORMATION FOR FAMILIES

West Hawthorn Pre-school 2022

1. General information

The Department of Education and Training (DET) (*refer to Definitions*) provides funding for each child enrolled and attending kindergarten in the two years before school as a contribution toward the costs of providing the program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a kindergarten program free of charge in the two years before school.

DET also provides Early Start Kindergarten funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, from a refugee or asylum seeker background or children known to Child Protection, to access kindergarten programs.

West Hawthorn Pre-school provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy and Early Start Kindergarten
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of The Kindergarten Funding Guide (Department of Education and Training) available from the DET website: www.education.vic.gov.au
- supporting the excellent educational program led by our experienced Teachers and Educators, including our Exemplary Teachers
- the inclusion of all excursions and incursions which form part of the service's teaching program

Once fees are set for the year, they will only be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

3. Other charges

Other charges levied by West Hawthorn Pre-school are included on the Statement of Fees and Charges. These include:

- **Kindergarten fee deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as full payment of term 1 fees. **Children/families experiencing vulnerability and/or disadvantage (*refer to Definitions*) and families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the deposit.** Families experiencing hardship should discuss any difficulties with the service.
- **Refundable maintenance levy:** The participation of parents/guardians is encouraged by West Hawthorn Pre-school and can help to keep costs more affordable. However, we acknowledge that not all families are able to assist in this way. A refundable maintenance levy system has been introduced by West Hawthorn Pre-school and is charged on enrolment. Payment will be refunded to parents/guardians on participation in specified activities which include but are not limited to: participating as a member on the WHPS Committee of Management, attending 2 working bees (which equates to 4 hours per family per year), assisting with maintenance and gardening or other volunteer equitable contribution. Eligible concession card holders, or families participating in the Early Start Kindergarten program (see below) are not required to pay this levy. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with the Director.

- **Refundable AGM attendance levy:** Attendance at our November Annual General Meeting (AGM) of parents/guardians is strongly encouraged by West Hawthorn Pre-school. A levy system has been introduced by West Hawthorn Pre-school payable on enrolment. It is refundable for families who attended the previous AGM or who have provided a reasonable apology ahead of the meeting. Families eligible for the Kindergarten Fee Subsidy or Early Start Kindergarten program (see below) are not required to pay this levy.

4. Statement of fees and charges

A statement of fees and charges for three-year-old kindergarten and/or four-year-old will be provided to families on enrolment (*refer to Attachment 2 and 3*).

5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend 15 hours of 4-year-old kindergarten, or 5 hours of 3-year-old kindergarten in 2022, free of charge. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the Kindergarten Funding Guide (*refer to Sources*).

Your child is eligible for the kindergarten fee subsidy:

- if your child identifies as Aboriginal and/or Torres Strait Islander
- if your child is identified on their birth certificate as being a multiple birth child (triplets or more).

or if your child holds or has a parent or guardian who holds, one of the following:

- a Commonwealth Health Care Card
- a Commonwealth Pensioner Concession Card
- a Department of Veterans Affairs Gold Card or White Card
- Refugee or Asylum Seeker visa (200-204, 786 or 866)
- Bridging visas for any of the above Refugee or Asylum Seeker visas

If your family or child has a humanitarian or refugee visa listed by the Department of Immigration and Border Protection which is not included in the above list, your child may still be eligible for the kindergarten fee subsidy.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid.

6.2 Early Start Kindergarten

Early Start Kindergarten gives eligible children 15 hours of free or low-cost kindergarten a week for two years before starting school.

To be eligible, the child must be three by 30 April in the year they start kindergarten and meet one of the following criteria:

- be from a refugee or asylum seeker background
- identify as Aboriginal or Torres Strait Islander
- your family has had contact with Child Protection.

Children can also access free or low cost Four-Year-Old Kindergarten through the Early Start Kindergarten Extension Grant. Contact the service for further information.

6.3 Child Care Subsidy (CCS)

West Hawthorn Pre-school is not an eligible service for the Child Care Subsidy and this does not apply.

7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Term fees and levies are to be paid through an automatic direct debit system, such as EziDebit. An automatic direct debit form will be provided to parents/guardians through the enrolment process. Payments will be deducted once per term, and parents will be notified prior to the payment being processed. In the event of a change in payment details, such as a change in credit card or bank account, the parents/guardians must contact the service.

There may be special circumstances in which term fees and/or levies are invoiced. All invoices must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. Receipts will be provided for all invoiced payments.

The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, fees will be calculated on a pro rata basis and must be paid in full within 7 days of the child's commencement at the service. Receipts will be provided for all fee payments on request.

Parents/guardians experiencing difficulty in paying fees are requested to contact the service or the Committee of Management President to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken:

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, the service will telephone the family to discuss.
- Families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing, and Boroondara Central Kindergarten Enrolment Scheme (BKCES) will be notified.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and levies, where appropriate) will be provided.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent, and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled

10. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

11. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.

12. Refund of levies

The Maintenance levy is usually refunded towards the end of Term 4 or on withdrawal from the service having met the refund criteria. This levy may be refunded by issuing the family with a Credit Note asking for bank details so the refund can be processed. The AGM levy is usually refunded as a reduction of the Term 2 fees.

13. Government funding requirement

The Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. The funding is a contribution towards meeting the cost of the kindergarten program. Your child can only be funded for a kindergarten place at **one service at any one time** and only for one year for 3-year-old kindergarten, and one year of 4-year-old kindergarten (unless your child is assessed as being eligible for a second funded year by your child's kindergarten teacher). Refer to the Kindergarten Funding Guide (*refer to Sources*).

In the year your child is enrolled to attend our kindergarten program, West Hawthorn Pre-school will be claiming funding for your child on your behalf. If your child will be attending another children's service that offers a funded kindergarten program, you **must tell that other service that we will be claiming the government funding** for your child.
